

Favorite Vaccine Links Page

The Optimal Wellness Center is a reference point for guiding healthcare professionals through the information resources of the Internet. I have made it very easy to search for healthcare related information.

Provided are a listing of Medical hyperlinks:

The best web site I know for vaccine related information is the National Vaccine Information Center (NVIC)

<http://www.909shot.com>

Dr. Classen's excellent vaccine site

<http://www.vaccines.net/>

Immunizations

<http://www.pcslink.com/~klove/immunize.htm>

Vaccine Information and Awareness (VIA) Web Site

<http://www.access1.net/via/>

Concerned Parents for Vaccine Safety

<http://home.sprynet.com/~gyrene/index.htm>

The best site for Anthrax Vaccine Information

<http://www.anthraxvaccine.org>

Sandy Mintz is an Anchorage mom and longtime vaccine safety/rights advocate. Her site is dedicated to vaccination news/information and related topics.

<http://www.vaccinationnews.com>

VaccineWebsite.com

<http://www.vaccinewebsite.com>

Dr. Tim O'Shea's TheDoctorWithin.com:

<http://www.thedoctorwithin.com/index1.html>

Below is a listing of Vaccine Articles you can find at Mercola.com:

[Vaccinations May Increase Death Toll](#)
